GECKO | ADHESIVE TEXTILES | GECKO CRYPTA II

PRIVACY ASSURANCE AND ROOM DESIGN

GECKO IS A SELF-ADHESIVE TEXTILE THAT SETS STANDARDS IN FLEXIBLE ROOM DESIGN. THIS INNOVATIVE PRODUCT, DEVELOPED BY CRÉATION BAUMANN, OFFERS IMPECCABLE PRIVACY ASSURANCE AND GLARE PROTECTION. GECKO CAN BE ATTACHED TO AND REMOVED JUST AS EASILY AGAIN FROM ANY SMOOTH GLASS SURFACE, AS OFTEN AS YOU LIKE.

GECKO | ADHESIVE TEXTILES | GECKO CRYPTA II | GECKO LASER LINEA | GECKO ILLUSION

GECKO, the innovative textile with its adhesive back coating, comes in three different basic versions and in various designs, patterns, and colours. These variations not only allow for flexible room design but also ensure a pleasant atmosphere.

GECKO in plain colours

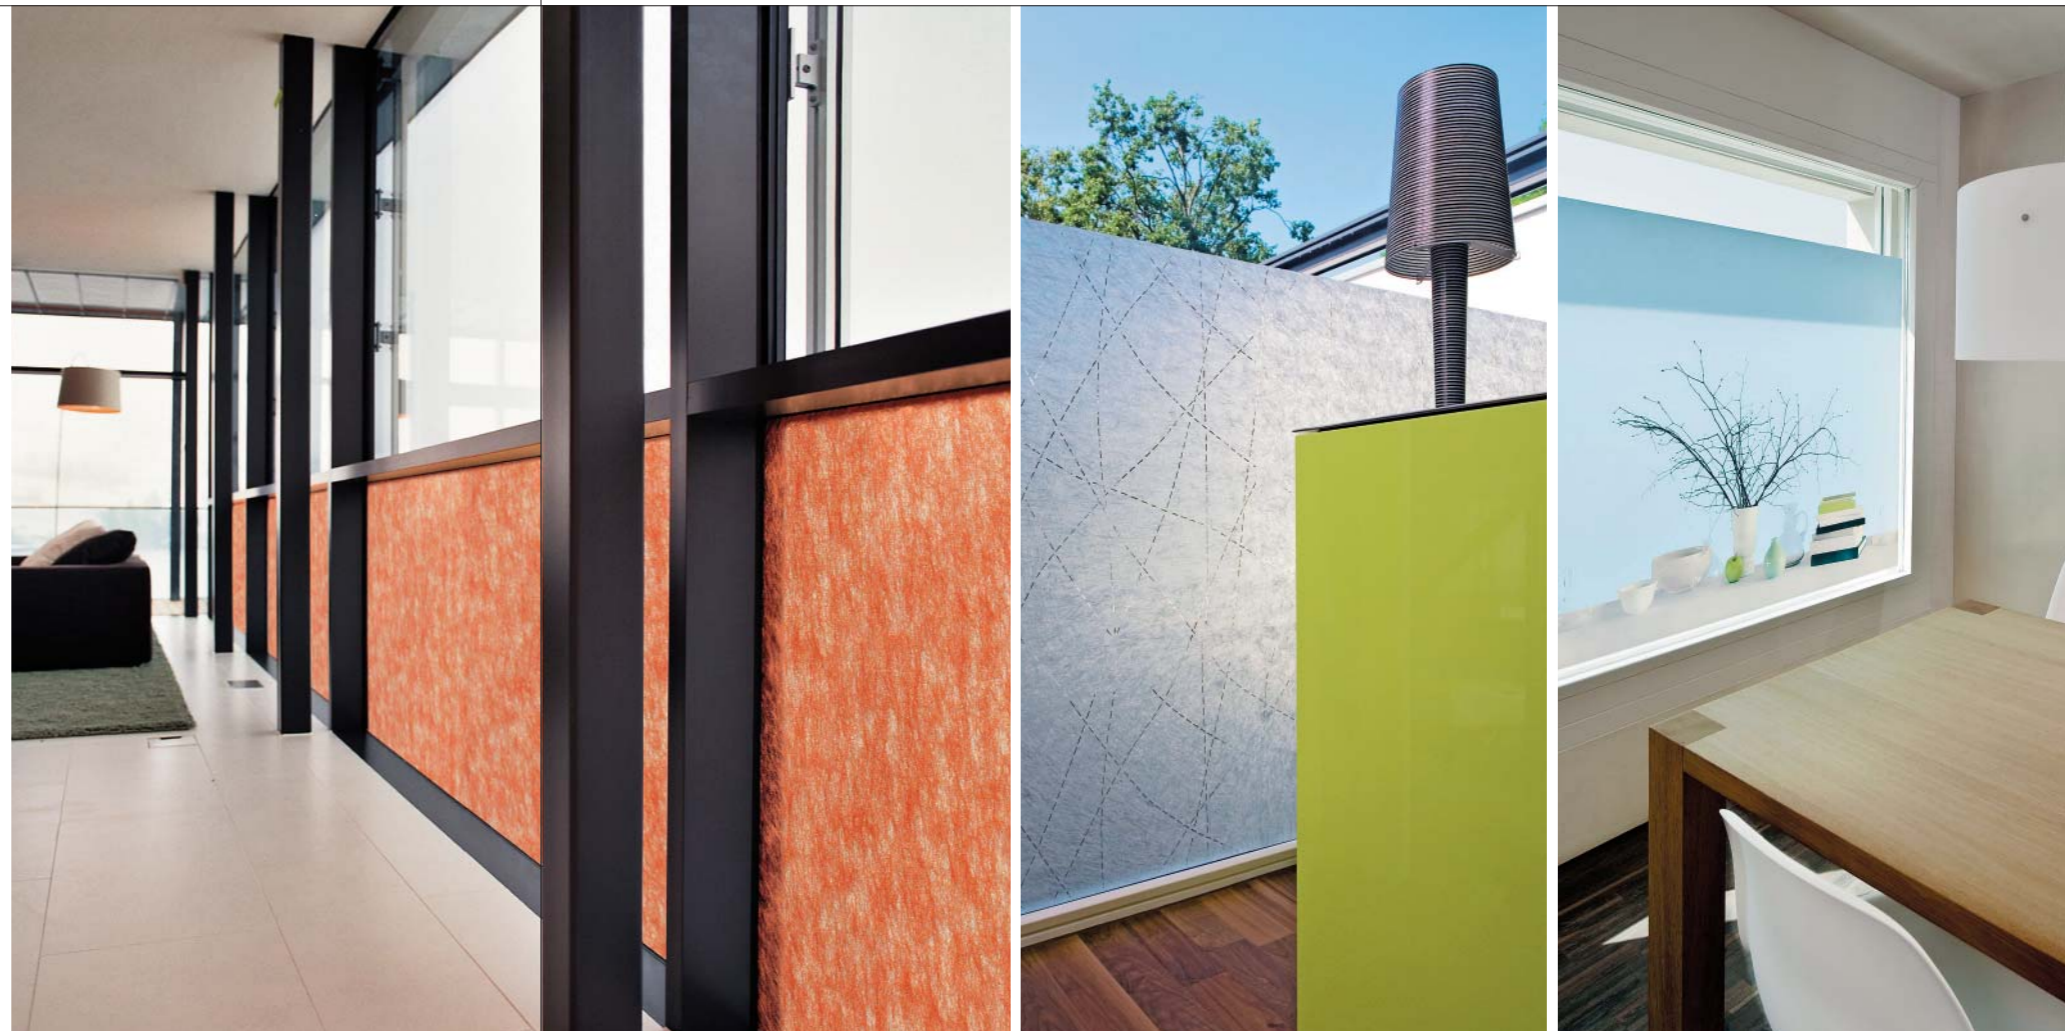

Thanks to the large range of different GECKO colours, interesting colour accents can be added to rooms and buildings. In certain zones, privacy can also be assured in a discreet and elegant manner.

GECKO with laser motives

In its laser cut versions, GECKO offers an equally exciting choice of different forms. Cut-outs and special basic forms allow for sophisticated and creative applications.

GECKO with printed motives

As a printed fabric, GECKO offers an unlimited variety of different design options. It is even possible to add photographs, detailed illustrations or graphics.

GECKO | ADHESIVE TEXTILES | GECKO IN THE BOX

GECKO is an award winning article several times over and the existing range of articles is expanded from season to season. A special milestone in this success story, is the GECKO IN THE BOX product line. This product combines select design modules in form of compact sets.

GECKO is flexible

The GECKO range of products – as rich in colours as it is in forms – knows no limits with regard to different applications and combinations.

GECKO is functional

Effective privacy assurance and glare protection that is removed again at any time and in an instant. And if desired there is a made to measure option too.

GECKO is compact

GECKO IN THE BOX offers ready to use design sets for creative interior design. It can also be an ideal gift.
