STYLISHLY WOVEN

The Modrzewie Park Hotel in Poland's textile designs were entrusted to Création Baumann – in curtains, in bedclothes and even in the carpets.

Object

Modrzewie Park Hotel, Szczawnica, Poland

Francis Amiand, Paris

INITIAL SITUATION

The Szczawnica area is famous for its breathtaking surroundings, its hospitality and its therapeutic traditions. Guests can recuperate and re-energise here, in an elegant yet homely atmosphere.

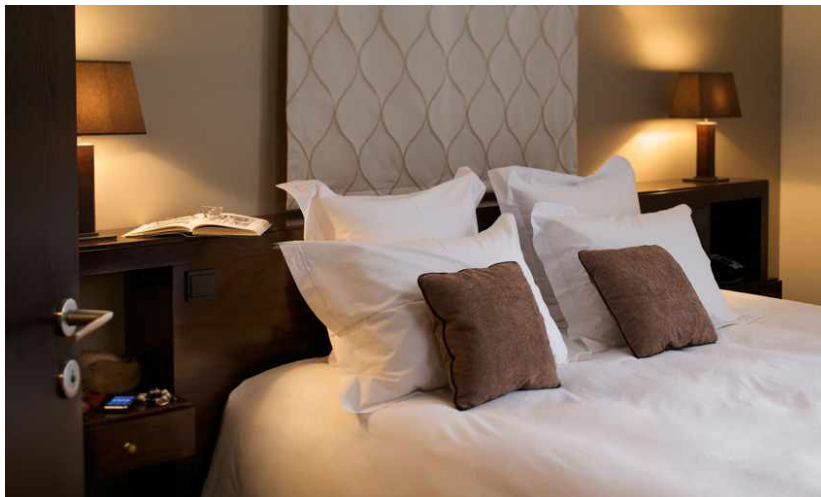

SOLUTION

The OLA fabric is employed as a common thread running throughout the interior decoration of the hotel. This simple but highly distinctive design is used in various colours in every area of the hotel – as curtains, bedheads and even (unusually) as a carpet.gesetzt.
