

REFERENCES / OFFICE / GLARE AND HEAT PROTECTION

## FLY THE CURTAINS

At the Schiffbauplatz, curtains are flying.

### **Object**

Schiffbauplatz, Zürich, Switzerland

### **Concept**

Baukontor AG, Zürich Ruf Design AG, St. Gallen

### **Photos**

Goran Potkojak, Uster Schweiz

### **SITUATION**

The business property at Zurich's Schiffbauplatz has office space on five upper floors and commercial premises on the ground floor for shops and restaurants.

### **SOLUTION**

The generously dimensioned window fronts make SHINE MEDIUM an eye-catcher. This aluminium-metallised curtain fabric provides effective sun and glare protection while guaranteeing the best possible view to the outside.
