## PEPPERED

### **Object**

Staff restaurant at the parcel post centre in Härkingen, Switzerland

### **Concept**

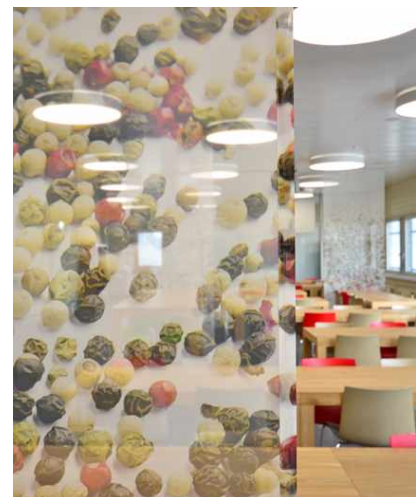

Lüscher Egli AG, Dipl. Architects ETH FH SIA, Langenthal, Switzerland / Post CH AG, Bern / Post Immobilien, Bern

### **STARTING POINT**

Renovation of the staff restaurant to create a pleasant atmosphere in the large canteen.

### **SOLUTION**

Colour accents organise the room into different areas, without having to partition them off. Individually-printed textile panels in shades of red and green are a perfect match for the furnishings in the staff restaurant. This partially spotted design sub-divides the long room and gives it structure, without a heavy appearance.
