

REFERENCES / OFFICE / FLAME-RETARDANT / GLARE AND HEAT PROTECTION

SUBTLE BUT EFFECTIVE

Glare and heat protection with a flame-retardant fabric that impresses with its filigree, screen-like appearance.

Object

büroexperten augsburg gmbh, Augsburg,
Deutschland

Concept

büroexperten augsburg gmbh, Augsburg,
Germany

Photos

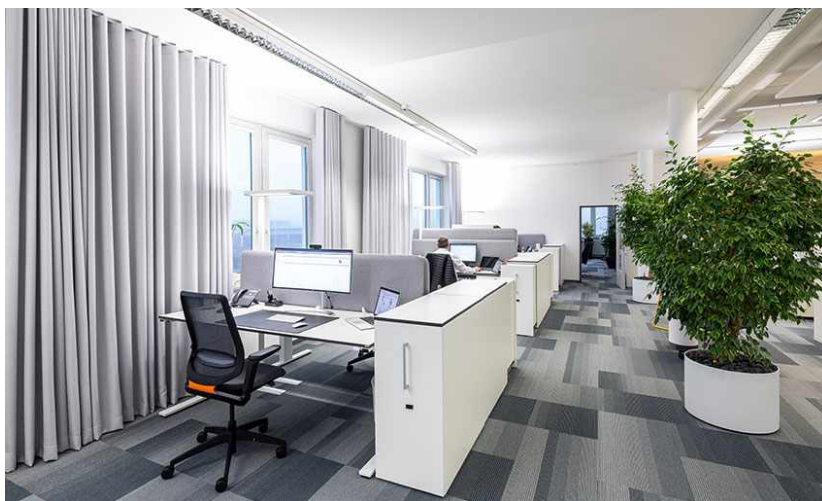

Matthias Baumgartner Fotografie,
Kleinaitingen, Deutschland

STARTING POINT

As office furnishers, Büroexperten Augsburg helps its customers to create a uniform overall image in which both customers and employees feel comfortable. Of course, the planning of one's own office could not be neglected.

SOLUTION

Shelter, as a curtain on the window, provides the best glare and heat protection and a good working climate.
