

# RISTA

Dense curtain fabric; Classic warp and weft satin in linen with a contemporary, casual finish. Depending on the colour setting, the bold linear grid pattern, which looks as if it had been drawn by hand, stands out more or less strongly. Different colours in warp and weft along with the satin weave generate a different coloured facing and reverse side. The broad, Nordic inspired colour palette is rounded off with a fresh yellow, sage green and red. Rista with its bold formal design is an exciting supplement to Pinto.
