

RAMESH

Dense curtain fabric; Rare gem in pure silk with vivid multi-coloured texture. Handcraft and innovation combine. For the elaborate dye process, three different colours are injected into every cone of yarn that is subsequently woven by hand. The resulting textured picture is charming and underlines the fabric's distinctive and unmistakable character. The eight colour settings in multi-coloured texture encompass gold-olive, denim blue, rust red. The series is rounded off with fine neutral compositions.
