

LOFT

Semi-transparent curtain fabric; The reversible, high-quality burn-out skilfully plays with two-sidedness and convinces with its soft feel and drape. The transparent, recessed lines are generously distributed over the dense surface and form a slightly irregular grid. A contemporary, linear play in the room. The eight colours have a modern, fresh elegance. The front and back are skilfully coordinated in two colours. Attractive selection of neutral as well as broken colour tones.
