

## ELUMINO AVES 3 sides ready made

Dense decoration fabric; Softly shimmering metal weave which can be sculpted. Strip conductors and LED elements which are integrated within the embroidery generate a geometric pattern in the bottom third of the fabric with dimmable light dots. A symbiosis of light and textile, aesthetics and technology. eLumino Aves is available in white, an elegant grey and a warm brown tone. It combines well with the uni palette from Aves.

<b>Use:</b>	Dense curtain fabric
<b>Number of colours:</b>	3
<b>Special colours:</b>	
<b>Material:</b>	57% Polyester 41% Metal 2% Different material (wood, paper, feathers etc.)
