

# OUTDOOR NEVADA

Curtain and upholstery fabric for indoor and outdoor use. The 100% acrylic fabric is very tough and easy to clean. It repels water and is resistant to soiling by stains or mould, as well as to residue and discolouration from chlorine or salt water. It provides optimum colour retention and protection against light and UV radiation. Most of the outdoor materials meet the Oeko-Tex Standard 100 requirements; this means that they are free of harmful substances in any quantity significant to health.
