ALEX

Upholstery fabric in Trevira CS; Heavy and hard-wearing upholstery fabric in a basket weave. The colour palette of 50 shades is diverse and ranges from classic to contemporary. Cross dying of a foundation weave which comes in three different colours ensures that the range encompasses rich tones alongside soft light and dark mottled tones. The hard-wearing and easy care fabric is soft to the touch. It is suitable for upholstery in public and private interiors as well as for heavy curtains with a high degree of sound absorption.
